SUBJECT: MIS Data Submission Updates

SYNOPSIS: This memo is to advise you of changes critical to MIS data collection and processing. Please read the following information carefully.

Dear Colleagues:

The following data element changes will be implemented beginning Summer 2021. The new data element definitions are attached.

SY Student Credit for Prior Learning Data Reporting

The SY Student Credit for Prior Learning file is a new term file. The file will contain one record for each distinct combination of college, student, and assessment of credit for prior learning which occurred during the term.

SL Student Placement Data Reporting

The SL Student Placement file is a new annual file that will be reported each October for student placements occurring in the previous academic year. The file will contain one record for each distinct combination of college, student, placement type, and placement date.

AA Adult Education Assessment Data Reporting

The AA Adult Education Assessment file is a new annual file that will be reported each October for adult education assessments occurring in the previous academic year. The file will contain one record for each distinct combination of college, student, placement type, assessment date, and assessment result.
