

AEBG Data, Accountability, and Assessment Planning Process

Between May 1st and August 1st the Chancellors Office, CDE, and WestEd will convene field teams to finalize the definitions, tools, and data collection methods for measuring the impact and effectiveness of California’s investments into Adult Education Programs and Consortia. 3 Field Teams and State Leadership will convene 9 times to consider and resolve all major decisions regarding AEBG data and accountability, deliver a final report to the legislature and Department of Finance by August 1st, and develop guidance and technical assistance strategies for the field.
