

Rethinking And Redesigning Adult Education... Together

VALENTINA PURTELL

NORTH ORANGE COUNTY REGIONAL CONSORTIUM FOR ADULT EDUCATION

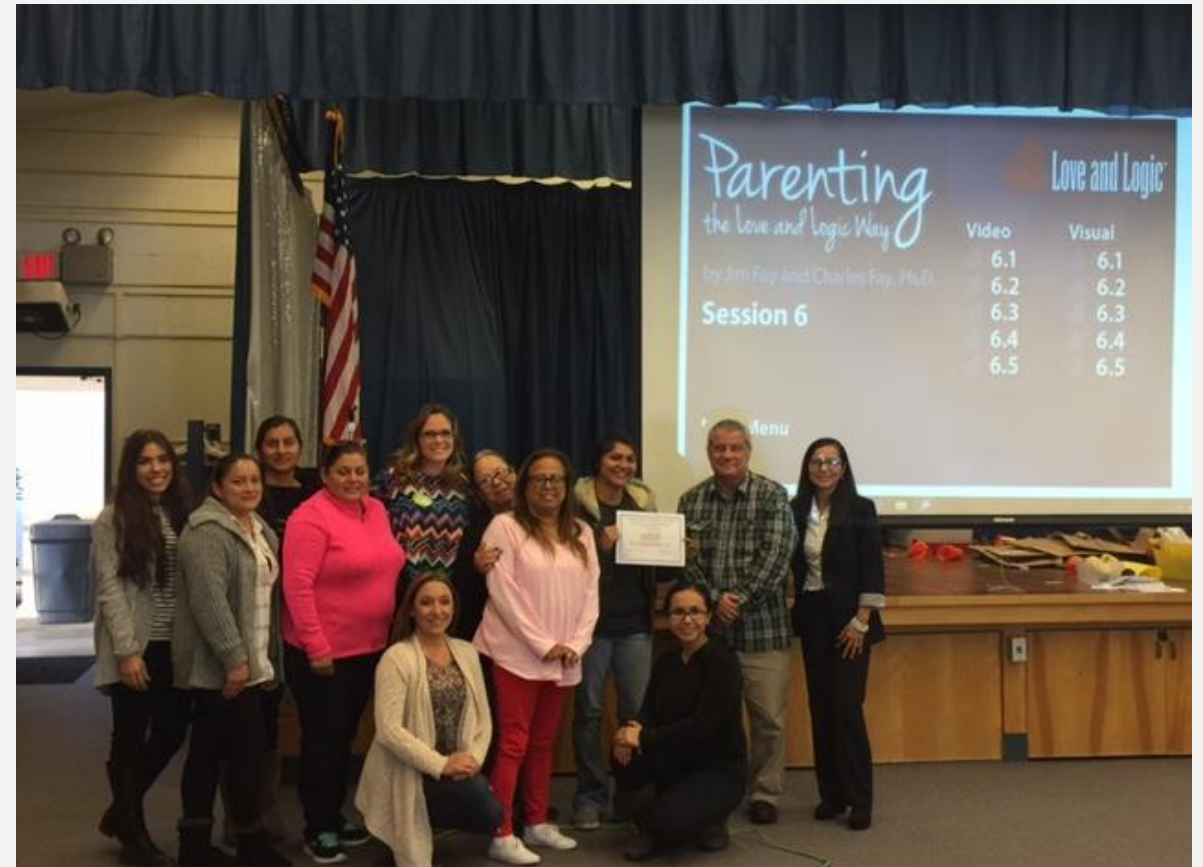

LOVE AND LOGIC

AEBG program area: Adult Training to Support Child Success at School

Regional gap: tools for parents and educators for socio-emotional support of children

Solution: Love and Logic courses for parents and training for teachers

Outcome: classroom and school environment that stimulate responsible behavior and high levels of academic achievement

LOVE AND LOGIC

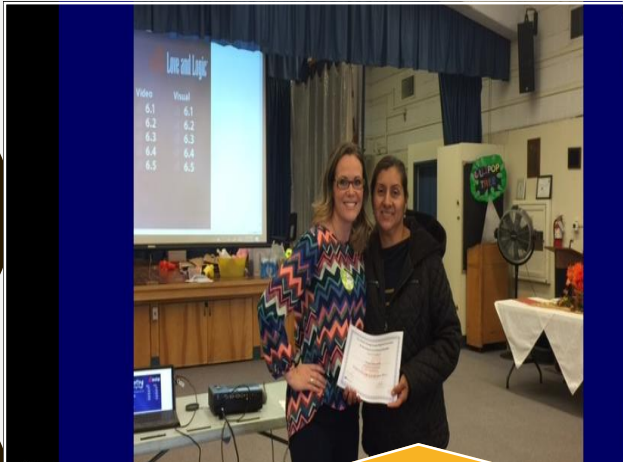

Love and Logic Tools

- Preventing misbehavior and increasing instructional time on task
- Avoiding power struggle while setting limits
- Teaching character and responsibility through the application of logical consequences instead of punishment
- Developing positive cooperative relationships

2016 – 2017 Outcomes

- Eight L&L Workshops
- Number of participants: 225
- Partner Districts: Centralia Elementary, Fullerton Joint Union High, North Orange County Community College, La Habra, Placentia Yorba Linda Unified

LEVERAGING RESOURCES WITH LOVE AND LOGIC

LET'S CHAT:

- 1. WHAT STEPS HAVE YOU TAKEN TO DETERMINE YOUR REGIONAL NEED FOR ADULT LEARNERS?**
- 2. HOW ARE YOU PLANNING TO MEET THESE NEEDS AND PROVIDE THE SERVICES NEEDED?**
- 3. HOW CAN THE LOVE AND LOGIC STRATEGY ENHANCE YOUR INSTRUCTIONAL OR SUPPORT SERVICE TO MEET THESE NEEDS?**

ARISE

AEBG program area: Adults with Disabilities

- Regional gap: respond to an increased number of adult learners on the Autism Spectrum Disorder
- Solution: ARISE strategy focuses on Academics, Relationships, Independence, Self-Advocacy, and Emotional health for students with autism spectrum and like disorders.

ARISE

Outcomes:

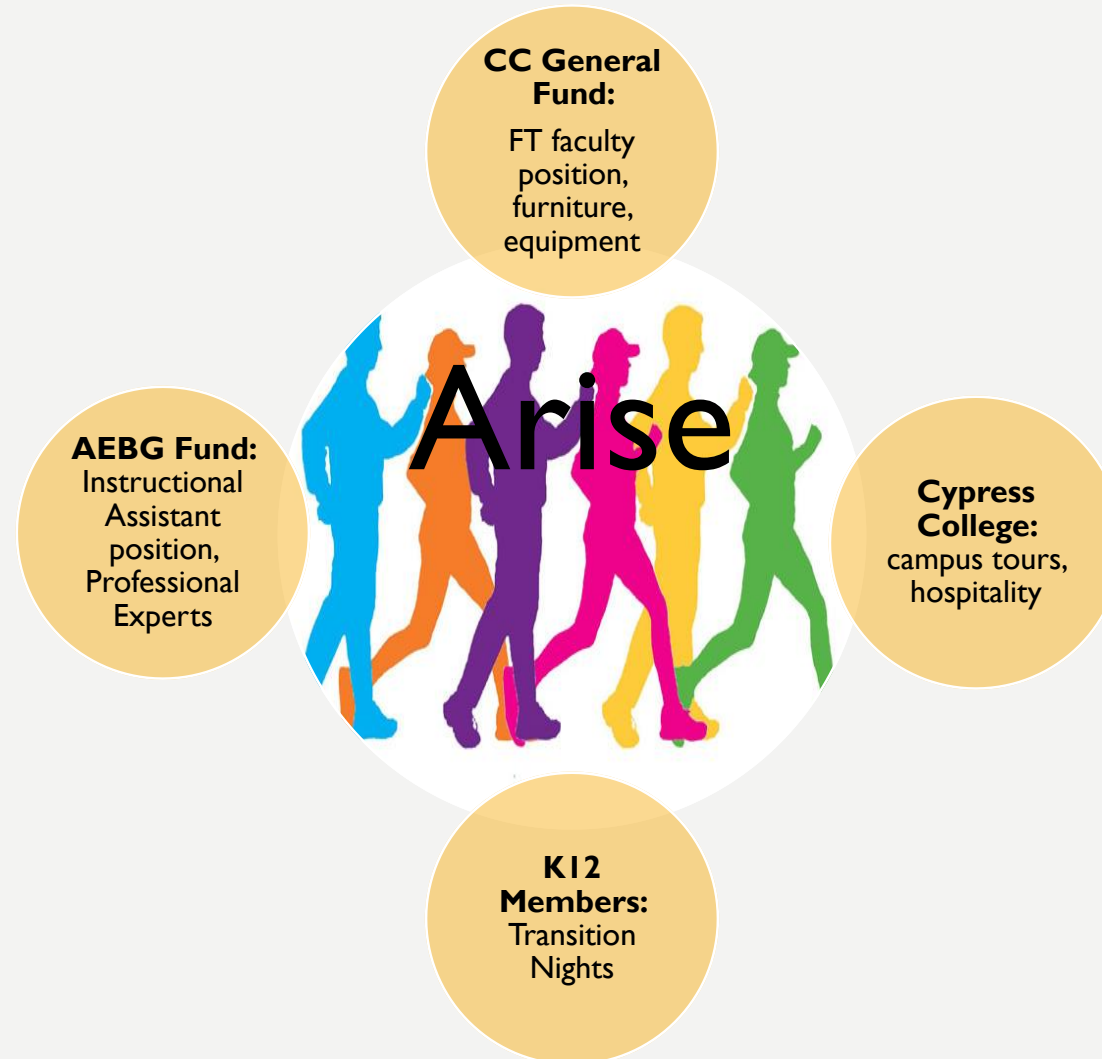

- Instructional center uniquely equipped to provide academic and emotional support for students with ASD
- Professional development for K12 staff and faculty: “Survival Kit”, Autism Ally, Transition Planning
- Work placement outreach for students on ASD

Next steps:

- Pilot ARISE elements at other NOCRC sites and develop instructional modules on workplace prep skills for students on ASD
