AEBG Field Teams

In order to clarify key data elements required for AEBG accountability reporting, and to ensure that metrics help to illuminate student progress in adult education programs, a series of practitioner committees will be convened between May-July 2017.

Data and Accountability Committee

This committee--made up of representatives from K-12 adult schools, community college credit programs, community college noncredit programs, CDE, and the Chancellor's Office--will meet four times to make recommendations regarding data definitions, tracking, and reporting. Before each meeting, WestEd will prepare a white paper that outlines possible approaches, the pros and cons of each option, and how each option relates to both legislative priorities and student pathways. The recommendations of the committee will be recorded in a summary paper and in comprehensive documentation for AEBG grantees on data and accountability requirements.

New 17/18 Reporting Requirements and Systems

2017/2018 Reporting Requirements

Population: All adult education students enrolled in ABE, ASE, ESL, or CTE programs enrolled at a:

- K12 adult education school
- Community college noncredit program
- Third party provider supported by a consortium for the purposes of providing training or supportive services

This includes all students regardless of funding source including AEBG, Noncredit, Perkins, WIOA II, CalWORKS, Adults on Correctional Facilities, Strong Workforce (noncredit programs), LCFF, etc.

2017/2018 Reporting Systems

- All AEBG consortia members and providers will use TOPSPro Enterprise
- Quarterly reporting of enrollment and outcomes
- K12 adult school, community college noncredit,
 3rd party providers supported by consortia
- AEBG Office will use <u>LaunchBoard</u> to match AE student data with MIS, EDD wage file, HS equivalency testing data

Annual Plan General Assurances

Member Effectiveness:

- 1. Participation in planning processes (annual, 3 year).
- 2. Spending funds within the AEBG program areas.
- 3. Members must participate in public meetings & decision making.
- 4. Reporting student data in TE.
- 5. Sharing info on other resources being used to serve adults.
- 6. Sharing financial expenditure and progress reports with the regional consortium.
- 7. Providing services that address the needs identified in the adult education plan

Member Reduction in Funding

The amount of funds to be distributed to a member of that consortium shall be equal to or greater than the amount distributed in the prior fiscal year, unless the consortium makes at least one of the following findings related to the member for which the distribution would be reduced:

- (A) The member no longer wishes to provide services consistent with the adult education plan.
- (B) The member cannot provide services that address the needs identified in the adult education plan.
- (C) The member has been consistently ineffective in providing services that address the needs identified in the adult education plan and reasonable interventions have not resulted in improvements.

AEBG Programs for 17/18

Adult Education Programs

Adult Basic Education

Foundational academic skills, such as reading, writing, and basic mathematics, as well as learning skills and study skills. Includes courses below Low Adult Secondary Education/9th grade level

English as 2nd Language

Instruction in the English Language to adult non-native English speakers with varied academic, vocational, citizenship, and personal goals

Adult Secondary Education

Foundational academic skills and learning/study skills. Includes courses at Low Adult Secondary Education/9th grade level & above, and/or leading to a diploma, GED, or high school equivalency certificate

Short Term CTE

Education and training that prepares adult learners to enter the workforce or improve their occupation or earnings in a a year or less

Adults w Disabilities

- Mark instructional program = Adults with Disabilities if the participant is enrolled in a specialized program designed specifically for adults with intellectual/ developmental disabilities.
- For participants with disabilities who are enrolling in other adult education programs, mark "Disabled" under Barriers to Employment in combination with the appropriate instructional program.

•

Entering or re-entering workforce

AEBG defines this program area as populations with systemic barriers to economic success who enroll in CTE programs. AEBG will extract data using population flags that are aligned with the WIOA "barriers to employment" categories including:

Displaced homemaker, Ex-offender, Foster care youth, Homeless, Low income-economically disadvantaged, Long term unemployed, Migrant farmworker, Seasonal farmworker Single parent, No TANF within 2 years.

Entering or re-entering workforce

In addition, this program area will include participants who are 55 years or older, based on their date of birth.

To ensure that this program area can be populated, all adult education providers should pay special attention to capturing barriers to employment status and date of birth at intake or at the time of the participants' first course enrollment.

Preapprenticeship (DOL Quality Elements)

- Approved training and curriculum based on industry standards and approved by a documented registered apprenticeship partner
- Recruitment, educational, and pre-vocational strategies that prepare under-represented, disadvantaged, or low-income individuals to meet the entry requirements of one or more registered apprenticeship programs
- Access to appropriate support services
- Meaningful hands-on training that does not displace existing paid employees
- Formal direct entry or articulation agreements with its registered apprenticeship partners

Preapprenticeship (DOL Quality Elements)

Adult education providers should only use the preapprenticeship program flag in TE if participants are enrolled in programs that meet these criteria, including ensuring that that courses are offered in coordination with one or more apprenticeship programs approved by the Division of Apprenticeship Standards through an MOU or formal agreement.

Adults Training to Support Child School Success

AEBG defines this program as providing education and training to adults, typically parents and-or community members, to help school-aged children succeed in school. Use the "adults supporting K12 student success" program flag in TE or the CB22 "parenting" course flag in MIS to track this program area.

WIOAII & NRS Overview

- The National Reporting System (NRS) is the accountability system that provides a means of regular evaluation for federally funded WIOA Title II adult education programs.
- In June 2014, Congress passed the Workforce Innovation and Opportunity Act (WIOA), and President Obama signed it into law in July 2014.
- June 2016 the U.S. DOL and U.S. DOE released final WIOA guidelines, and the NRS released the new update Federal Tables
- WIOA started implementation starting July 1, 2016, and is approved through 2020.

Measurable Skills Gain (MSG)

The WIOA Performance Indicators, along with the 5 types of MSG, comprise the framework for the six AB 104 outcomes:

Indicators:

- 1. Employment
- 2. Wages

MSGs:

- 1. Literacy gain
- 2. Secondary
- 3. Post-Secondary
- 4. Training Milestone
- 5. Skills Progression

AB 104 Outcomes:

- 1. Improved literacy skills
- 2. Completion of high school diplomas or their recognized equivalents
- 3. Completion of postsecondary
- 4. Placement into jobs
- 5. Improved wages
- 6. Post Secondary Transition

Population Definitions

- Number of adults served by the consortium Aligned to WIOA reportable individual definition. 1 or more contact hour of instruction or participation in self directed or information only activities
- Adults who attain milestones or outcomes Aligned to WIOA definition of a participant under AEFLA WIOA Title II.
 12 or more contact hours of instruction in ABE, ASE, ESL or CTE.

AEBG will analyze outcomes for reportable individuals using the supplemental data report but not include that data in the primary report to the legislature for 17/18

Adults With Improved Literacy & Basic Skills

WIOA Title II programs – attainment of an EFL gain using pre and post testing with an NRS approved testing instrument

Non WIOA Title II programs – NRS-approved instruments or attainment of a functional level tied to completion of a course or a Career Development and College Preparation (CDCP) certificate using a crosswalk of the National Reporting System EFLs and the community college CB21 course rubric for levels below transfer

Improved Literacy Skills

- For ABE/ESL/ASE programs, measured by pre/post learning gains
- ABE/ESL/ASE: Career Development and College Preparation (CDCP) certificate
- HS Diploma can report gains through achieving high school credits/Carnegie Units
- Occupational Skills gain
- Workforce Readiness Milestone ("exploratory" outcome for 2017-18)

Improved Literacy Skills – NRS Assessments

- Achieved when a learner makes enough progress from pretest to post-test to move up one Educational Functioning Level (EFL) on the federal/NRS chart.
- Must use pre/post-test assessment instruments approved by the National Reporting System (NRS).

Diplomas and Equivalents

Diploma or equivalency completion -

- K12 programs: Will use data flags in TE for participants who complete their high school diploma or earn their high school equivalency
- College noncredit programs: Starting in 2018-19, will use data flags in MIS for participants who complete their high school diploma or earn their high school equivalency
- AEBG office: Will use a data match of the AEBG participant population with the data sets from the GED, HiSet, and TASC testing services to augment local reporting

Progress towards Diploma (New) – Participants who progress from Low ASE to High ASE or who complete 1 or more course that counts for a HS diploma in a reporting period (quarter)

Improved Literacy Skills – Adults with Disabilities

- For learners with developmental/intellectual disabilities, agencies can use the AA-AAAAA Adult Life Skills series or the POWER performance based assessment to measure pre/post gains for intellectual disabilities.
- For students with learning and physical disabilities, agencies can use any approved assessment and provide approved testing accommodations.

Other CTE-Related Skills Gains

Occupational Skills Gain — Participants who achieve milestones in CTE programs, but who do not complete their credential or certificate because they obtain employment or realize a shorter-term goal related to occupational advancement. In 2017/18 AEBG will capture using appropriate box 9 TE milestone flags or noncredit CTE satisfactory course completion. AEBG is exploring other mechanisms to capture this in 2017/18.

Workforce Preparation Milestone – Participants who complete workforce preparation courses or certificates. This is an exploratory metric that AEBG will pull using TE program and milestone flags and completion of noncredit certificates using workforce preparation MIS flags.

Occupational Skills Gain

Participants who achieve milestones in CTE programs, but who do not complete their credential or certificate because they obtain employment or realize a shorter-term goal related to occupational advancement.

Participants who complete workforce preparation courses and certificates. Data on this metric will be collected in two ways:

- Marking Workforce Readiness on the Entry Record and either Training Milestone or Completed Course on the Update Record (field #9 – Work)
- Starting in 2018-19, CDCP certificates coded as workforce preparation

Postsecondary Credential Completion

For K12 community college CTE programs - Completion of a credential that leads to employment in a clearly-defined occupation including, but not necessarily limited to:

- Locally approved certificates eligible for inclusion on the Eligible Training Provider List (ETPL)
- CDCP CTE certificates with more than 48 instructional contact hours
- Certificates that meet the minimum threshold for inclusion under Perkins
- Certificates that meet the threshold for Title IV federal student aid
- Workforce preparation (work readiness) or occupational safety certificates (e.g. OSHA or Safeserve) ARE NOT counted for completion under this metric

Completion of any degree or for credit certificate over 6 units

Completion of Post-Secondary certificates, degrees, or training programs.

Employment and Wages

AEBG will capture and report on the following data elements related to employment and wages after participant exit:

WIOA II related follow up employment outcomes:

- Entrance into unsubsidized employment two quarters after exit
- Entrance into unsubsidized employment four quarters after exit
- Median earnings two quarters after exit

AEBG follow up outcomes not related to WIOA II:

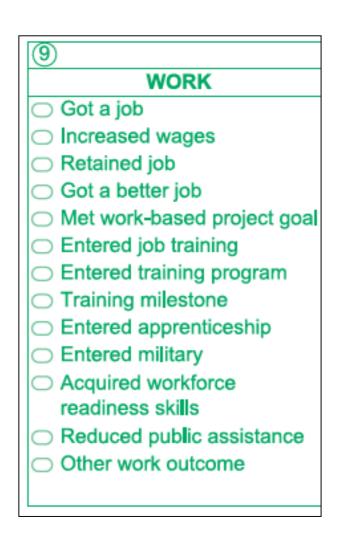

- Change in earnings from one year before to one year after exit
- Attainment of regional living wage
- Employment in field of study (starting in 2018-19)

- Transition to ASE: AEBG will track transitions from ABE to ASE or ESL to ASE.
- Transition into Post-secondary: Applies to participants transitioning into 1) Any K12 adult education or community college CTE program or 2) Community college for-credit coursework that is not developmental. Specifically:

Transition to Post-Secondary

- Transition into Post-secondary: Specific student based scenarios that qualify for the AEBG transition outcome:
 - K12 ABE, ASE or ESL participant who enrolls in a K12 adult education CTE course
 - K12 ABE, ASE or ESL participant who enrolls in a noncredit community college CTE course
 - A K12 adult education ABE, ASE or ESL participant who enrolls in a community college credit course that is not developmental (including both CTE and non-CTE courses)

- Outcomes for students with low contact hours (<12)
- Profiles of emergent or effective practices (immigrant immersion, career advancement academies, other)
- Other special analysis

Other Activities in 2017/18

Changes to MIS & CCC Apply:

- Add MIS data elements to align MIS with adult education reporting requirements (missing population flags, preapprenticeship, diploma, etc...)
- Convene process to make CCC Apply more useful for enrollment and data capture for noncredit and AE students

Other Activities in 2017/18

Basic Skills Crosswalk:

- AEBG (WestEd) will convene faculty and leadership to build a crosswalk of the National Reporting System Educational Functioning Levels and the CB21 levels below transfer.
- Issue guidance in Spring 2018 to inform content and local alignment of courses and streamline student transition between K12 and community college programs

Reporting in 2018/2019

- Community colleges will use MIS to report students in noncredit ABE, ASE, ESL, and CTE programs
- K12 adult schools will continue to report all ABE,
 ASE, ESL and CTE students in TOPSPro
- WIOA Title II funded programs will still report quarterly data using TOPSPro
