Objective

DISCOVERY!

To cover and discover as many different tools and paths to advance your “Googles” *in and out of the classroom*

Ask Questions anytime - *yell if you have to!*

*“A mistake is just a learning path in different direction.
It is as important as any other learning path...”*

...And I usually go in 20 different directions at once!”

MeHoW

THE DIFFERENT GOOGLES: EDU and PUB'

*Know the difference before you Googlize
yourself or your students !*

What works for some may not work for others.

G Suites: PUBLIC & EDU CLUB

PUBLIC Google is managed by Google which means its a “free for all!” (*mostly*)

An **EDU** is a **club** managed by an educational entity (*district*).

CLUB PERKS

- ✓ Branded email address
- ✓ Unlimited storage (for most)
- ✓ Direct access to organization
- ✓ No advertising!
- ✓ Enhanced security
- ✓ **FERPA & COPPA compliant**
- ✓ District Administration

PUB' PERKS

- ✓ Public Gmail address
- ✓ Set amount of storage
- ✓ Freedom!! Share as you wish!
- ✓ Advertising
- ✓ Control of account
- ✓ User responsible for security
- ✓ Help forums

WHAT ARE THESE?

STORAGE

FONTS

FORCE SHARE
A TYPE

Make a copy

KEEP

CHECK YOUR STORAGE

What counts against space?

Google Drive files not Google: MSOffice files, PDFs, images, videos, ***and items in Trash.***

Gmail: attachments or inserts, ***and items in Spam and Trash.***

Google Photos: Photos and videos stored using the "original" size

[Learn how to clean out your space](#)

FORCE SHARE OPTIONS

🔒 Share

PREVIEW

- Open a Doc/Sheet/Slide
- Copy the Shareable Link
- Paste link into a message.
- **Within the link, replace */edit...* with */preview* within link**
- ***Copy new link and send to anyone you wish to PREVIEW ONLY.***

Preview

MAKE A COPY

- Open a Doc/Sheet/Slide
- Copy the Shareable Link
- Paste link into message
- **Within the link, replace */edit...* with */copy*.**
- ***Copy new link and send - all will be forced to make their OWN copy.***

Make a copy

Google Fonts

Need a serif that looks just right?

some cursive that looks kind of curly?

Add them using Google Fonts!

And MAKE *text* whirly **burly!**

Use the Font Face to add into an app

OR

Open fonts.google.com to see a full list and options

GOOGLE KEEP

LABEL and
COLOR CODE

Checkbox Notes

- Spelling?
- Project list?
- Group checklist?

Insert Images

GO AHEAD...

SHARE notes
REMINDE checklists
ASSIGN due dates

ANNOTATE!

- double click
- black bar
- Pen

ADD CHROME APP

- Select website text & Save

INSTALL APP

On smart device
for "mic' drop"
options

KEEP - App Magic!

Take a note...

PHOTOs

What're you are looking at?

1. Install Google Photos and allow it to upload the photos you take with your phone (or choose the photos to upload).
2. Take a picture and open it in Google photos
3. Use the “image recognition” tool
4. Wait for the magic
5. Find similar images or grab text

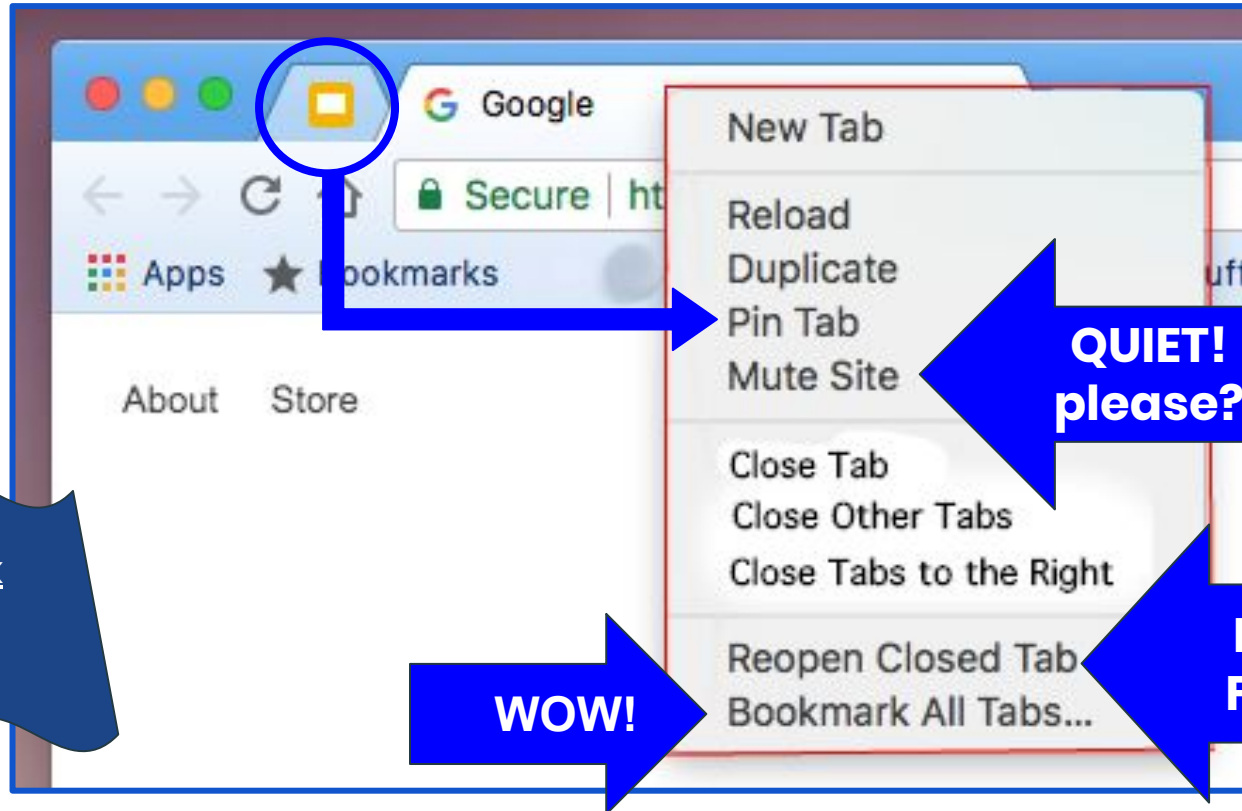

CHROME!

CHROME TAB

RIGHT CLICK IT!

[Bookmark All Tabs...](#)
[VIDEO](#)

**QUIET!
please?**

**Brain
Fade?**

WOW!

GMAIL ALIAS

You?

USERID+alphanumericNOSpecChars@gmail.com

DO NOT SHARE

YOU MANAGE!

EXAMPLE of Alias use for students

**Teacher account:
SCOETECH@gmail.com**

SCOETECH+vparker1@gmail.com

SCOETECH+hclark2@gmail.com

DO NOT give the password to the email account to your students - you manage the account.

CHROME *Extensions*

Extensions “extend” the capability of an App.

Pronounce

Listen, read & record, compare with native English voice speech.

Google Tone

Send URL to all via speakers - best for Chromebooks - test before using!

Office Editing for Docs, Sheets, Slides

edit MS Word files within Chrome

GRAMMARLY

Online Grammar checker

CHROME *Extensions*

Extensions “extend” the capability of an App.

WEB PAINT

Annotate and save a Web pages as images

AWESOME SCREENSHOT

Screen capture AND record screen (not audio)

AUDIO CAPTURE

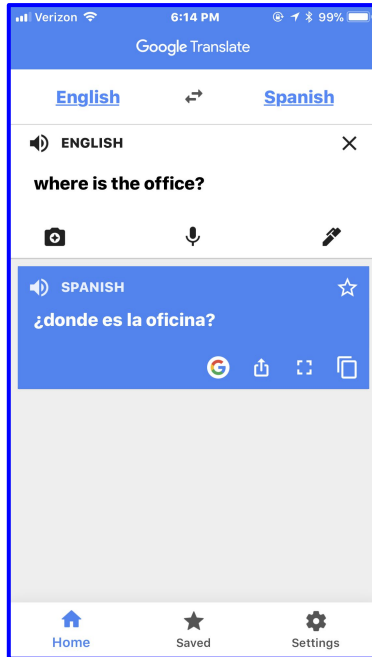

Allows users to capture any audio *playing* on the current tab.
Multiple tabs can be captured simultaneously. Captures can be saved as either .mp3 or .wav files. Users will have the option to mute tabs

Google Translate App

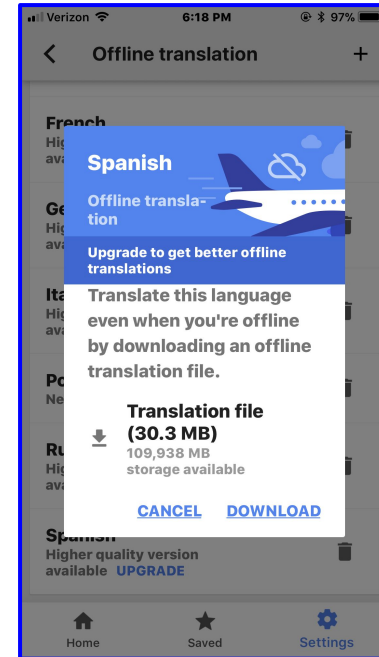

Type, voice, or use finger to
“write” for translation

REAL TIME translation

Text translations
OFFLINE

Translate - site

- Instant Language **detection** & translation
-  pronunciation in many languages
- Translate entire sites

 PHRASEBOOK

Other uses:

Communicate when there is no language recognition on either side.

Install as CHROME EXTENSION to see definition on page or pronunciation.

“Translate should NOT be used to learn or teach a language.”

E. Fella, English Teacher Extraordinaire

~ ~ ~ ~

“but it is a useful tool that can open communication”

MeHoW, Trainer who thinks

out of the box
