

OVERVIEW from the California Adult Education Program Office

September 27, 2018

Governor's 17-18 budget stated:

“The Adult Education...Program coordinates representatives from local educational agencies, community colleges, and other regional education, workforce, and industry partners to promote the educational opportunities offered to students and adult learners. Through this program, students and adult learners can access courses to complete their high school diplomas or general education equivalent, English as a Second Language courses, and pathways courses that lead to additional career opportunities.”

THREE YEAR PLANNING PROCESS

CALIFORNIA ADULT EDUCATION PROGRAM

In the past your peers stated:

“ Most consortia report general plans to coordinate among consortium members and build relationships with local partners. Few responses offer specific actions in this area, but compared with other objectives, more consortia report seeking varied funding sources and developing marketing and outreach plans. ”
