Janet McGee:	Will these slides be available later?

Janie Gaither, STEP Inc.:	Thank you.
Amy - SCAEC:	Why are you only collecting class program info on ABE, ASE, or ESL. What about CTE?
Amy - SCAEC:	Since it is required.
Amy - SCAEC:	All the AEBG program info is needed, right?
Amy - SCAEC:	Can we update the slides? I want to send these to members?
Francisca Bravo:	Thank you.
Amy - SCAEC:	Thank you.
Dora Robles/MCOE-ROP Adult:	Is this training on the reporting?
Andrew Carter:	HSE qualifies as a post test.
Amy - SCAEC:	People get confused between AEBG and WIOA requirements.
Janice Fera:	What kinds of tests are available for CTE pre/post tests?
Liz Leiserson CCSF:	Do students need to be assigned to a program AND a class? (for AEBG)
Lorena Martin (Santa Monica):	How to report services not received if not enrolled in a class?
Maureen Burt Palo Verde College:	Can we use the GED practice tests for entry and exit?
Lorena Martin (Santa Monica):	Sorry...services received.
Janet McGee:	It is my understanding that CTE pre and post testing is not required yet for AEBG.
Carias:	So if a student has no pre/post, will they not count as an ASE completer in the AEBG reporting?

Lynne and Liliya Pittsburg Adult:	I'm not clear how a student could be credited with services without being enrolled in a class.
Janice Fera:	Thanks.
Jay:	Yes, testing is only required for WIOA II -- that is ABE, ASE, ESL.
Jay:	Services can be recorded with (or without) class or program enrollment.
Diana B.:	AEBG is being aligned with WIOA and testing is a good tool for measureable outcomes.
Lorena Martin (Santa Monica):	Manual entry. Got it!
Connie Pekedis:	Couldn't we add them directly into TE?
Jay:	It is understood that some students may receiving orientation/counseling/etc. without ever enrolling in class or program.
Liz Leiserson CCSF:	So...student don't have to be assigned to a class and program?
Susan Coulter, Baldwin Park, CA:	Can we use Workforce Readiness for Re-entry into the workforce including Older Adults since there is not a field in TE?
Diana B.:	CTE assessments are not yet completely defined - update coming soon, per field team work.
Jay:	In general, students should be enrolled in class/program... but for students that only receive short term services it is not required.
Trudie Giordano CCCAEC:	Is that by member district only?
Branka:	Yes, we can see the screen.
Carias:	Are HSD/HSE completers w/o pre, post counted in the AEBG reporting?
Diana B.:	Workforce readiness as a class? Susan - we can touch base and refine question for answer.
Jessica Wilder -- New Haven:	If the summary is not a deliverable and just for our information. Is the AEBG Data Integrity
Kathy Walker - VCAEC:	Is the consortium manager level reports working for any of the consortia's?
Amy - SCAEC:	All you did was click on generate once you got to the page?
Amy - SCAEC:	It went a little quickly.
Penny Pearson:	Amy yes, once she made the choices, generate will create the report.
Demetria Lawrence:	What does treansition post sec achieved mean?
Amy - SCAEC:	Thanks Penny.

Laura Ordonez:	No, I can't hear anyone.

Troy Engel:	Required defines as a "required bit of data."
Dean:	LOUD and clear ;-)
Darrell Parsons:	Laura, did you run the audio setup wizard on your computer? It's found in the Meeting tab in the top left corner of your Webinar screen.
Amy - SCAEC:	The AEBG skills gains are exactly the same as the WIOA skills gains?
Rosa Hamernick:	I can hear.
Diana B.:	Are the AEBG skills gains are exactly the same as the WIOA skills gains?

FranciscaBravo:	I wasn't clear with the pre/post test for Diploma class. Patty said it is required. Would diploma class fall under the ASE program??
Darrell Parsons:	Everyone should keep in mind also that this Webinar will be archived and available tomorrow for you to review as needed.
Diana B.:	Records- Students in program years.
Diana B.:	Submit additional questions via the Request Support at the AEBG.org website.
Yelena Zimon:	The AEBG Dictionary saya that Transition Servicis are only for Adults with Disabilities.
Amy - SCAEC:	Francisca - yes.
Diana B.:	Some schools have transition specialists.
patrickross:	what about career services?

Amy - SCAEC:	We understand transition services to be transition to post secondary or workforce.
Patty Long:	I'll double check that it's been updated.
Janice Fera:	This report requires higher user privs than "proctor."
Diana B.:	Yelena - I will report that for adjutsment. We are looking for transition to employment or Post-Secondary
Suzanne Murphy:	can you check as many as apply or are you limited to one
Diana B.:	Patrick- transition to career?
Carias:	We don't have to create a new record, we can just edit if necessary, yes?
Dean:	Yes.
Lorena Martin (Santa Monica):	Yup!
Laura Manyweather:	Yes.
Jeanne Horgan:	Yes, thank you.
Beth Cutter:	Makes sense...
Amy - SCAEC:	Just not exactly sure how to get to that record.
patrickross:	Diana- it's a column on the report.
Maureen Burt Palo Verde College:	Yes, it makes sense.
Rosa Hamernick:	I'm waiting to send update 19 for the current year 2017/18. I am not able t go to reports-california aegb.
Jay:	Got to Records - Students - In Program Years.
Emily Tsai Brownfield:	If we are importing from a 3rd party system, do we need to type in each one manually after it has been imported?
Liz Leiserson CCSF:	Are you aware of import performance issues, or is the current import speed common? (I'm uploading about 50 records per minute)
Amy - SCAEC:	Ok, thanks, I had written that down.
Diana B.:	Does Rosa need to run an update to get to CA AEBG reports for update 19?
Andrew Carter:	Import can be very slow.
Maria Gonzalez:	What is the difference between post exit leading to postsecondary and leading to postsecondary credential or enrollment?
Jeanne Horgan:	Did you include other programs in this report?
Amy - SCAEC:	Do you have any examples of a report that has other AEBG programs with info like CTE, AWD, etc.?
Patty Long:	I just left the defaults

Troy Engel:	Is there a way to change in TE a group of students, without having to go to each student?
Jeanne Horgan:	Thank you Patty.
Troy Engel:	Group of students data.
Rebecca:	If we already submitted our end of year data due to people on vacation....do we need to resubmit?
Patty Long:	Troy - no, it's an accountability issue (NRS).
Patty Long:	Rebecca - Nope, you're done!
Troy Engel:	Thanks....so its by student only.
Patty Long:	Troy, yes.
Amy - SCAEC:	How can you get an unduplicated report? Is there a way to acquire unduplicated info as well?
Andrew Carter:	That implies you can enter a student into more than one program. Is that correct?
Amy - SCAEC:	Yes, you are making sense.
Marilyn Sargent:	On the same point, we get undup when we check with fed metrics? Do two levels match?
Amy - SCAEC:	But can you update the PP to show this screen so we can send out to members with the correct report showing?
Paige:	It makes sense we just have to be sure in right year.
Andrew Carter:	Will that work thru Import as opposed to direct entry?
Janice Fera:	What privs are required for this report? "proctor" is not enough.
Patty Long:	Amy - it's listed at the bottom of this report. You can hover over the number and right-click and open a lister. The lister can be downloaded to and excel spreadsheet, or you can continue to drill down and get to each individual student record.
Patty Long:	Janice - pls call techsupport and they'll help you.
Cristina Gheorghe:	Where is the AEBG Data Dictionary located? I checked Traning and Support section of CASAS website...no luck.
Amy - SCAEC:	I meant in the PP.
Diana B.:	QUESTION from maria gonzalez: What is the difference between post exit leading to postsecondary and leading to postsecondary credential or enrollment.
Janice Fera:	Thx Patty.

Chrissy - RSAEC:	Cristina - https://cse.google.com/cse?cx=013953192430532122377:b6ong1nosna&q=aebg%20data%20dictionary#gsc.tab=0&gsc.q=aebg%20data%20dictionary&gsc.page=1
Cristina Gheorghe:	Thank you Chrissy.
MaryAnn Pranke:	If we have questions as we enter data, who should we contact?
Chrissy - RSAEC:	:)
Carias:	Yes.
Nora Escobedo:	Yes.
Patty Long:	From the homepage, on the bottom right, you'll see CA Accountability. Open that and you'll see AEBG - then open that. And thank you Chrissy!
MaryAnn Pranke:	Yes making sense.
Suzanne Murphy:	Yes.
Laura Manyweather:	Yes.
Helen Igwe:	Yes.
Amy - SCAEC:	Yes. Just want to know how to get an unduplicated report if you want one.
Andrew Carter:	Any way to make Chat box bigger?
Diana B.:	Thank you for the link! Quick answer.
Amy - SCAEC:	Ah! There I see it. Thanks!
Liz Leiserson CCSF:	(yes, please make the chat pod bigger!!)
Amy - SCAEC:	That's great. Good to know. Thanks.
Laura Manyweather:	Yayy.. this is great!
Helen Igwe:	Are we able to save or print chat box later
Amy - SCAEC:	Yes! Thanks.
Dean:	Will this webinar be posted for us to rewatch at a later time?
Darrell Parsons:	Dean, yes the Webinar will be archived on aebg.org tomorrow.
Dean:	Excellent. Thank you Darrell.
Denise Dupree, Merced Community College District:	Am I the only one without audio?
Penny Pearson:	Denise, I hear them both fine.
Denise Dupree, Merced Community College District:	Thank you.
Brenda Carrillo:	I had to call in on the phone for audio.
Denise Dupree, Merced Community College District:	Got it. Thank you :)
Amy - SCAEC:	Can we see you drill down to the AEBG DIR?

Elizabeth Orozco-Wittke Modesto Junior College:	Denise, check in the upper left corner. There is a green speaker. Click on the down arrow next to it. It should say unmute my speakers.
Amy - SCAEC:	Yes, just wanted to see if but I'll check later.
Diana B.:	For sound - you can check your speaker at the top and verify that the Mute conference audio is not checked.
Rebecca:	I'm showing students in more than 1 program but when i drill down I'm not seeing the two programs that the student is in. Its only showing 1 program. Do you know why that might be happening?
Andrew Carter:	Click on green speaker at top left to make sure Mute Conference Audio Only is NOT clicked.
Maria Gonzalez:	Yes.
Diana B.:	Maria - Field 12 or Field 14 update will update the outcome for AEBG transitions outcomes.
Carias:	Student goals has zero effect in this summary, yes?
Troy Engel:	In what specification module do we enter PRE/POST TEST info?...TEST - only?
Maria Gonzalez:	yes thank you.
Diana B.:	If you need help, get Support by e-mail at aebg@casas.org. OR Request Support button at aebg.org.
Patty Long:	Carias - right - no effect. But good to collect for your agency.
Carias:	Thank You, Patty.
Diana B.:	Aebg@casas.org or on website aebg.org use Request Support.
Diana B.:	We are standing by for your questions.
Diana B.:	Soon we will have an (800) number for support!
Penny Pearson:	Helen - the only way to save the chat would be to select all the text in the chat box, (CTRL+A) copy it (CTRL+C) and then paste it in a document (CTRL+V).
Diana B.:	Just a request for the drill down to the DIR for AEBG.
Janet McGee:	Will CASAS be adding another server for California so uploading will be faster?
Janice Fera:	Ditto Janet McGee request.
Cindy Manke, Tri-Community Adult Education:	Seconded Janet's question.
Diana B.:	Thanks partner!
Kristen - Salinas Valley:	So what do you recommend we do about the ASAP 3.0 and CASAS exchange issues? Just wait for them to be worked out?
Janice Fera:	It's been really hard for us.

Amy - SCAEC:	This is the screen I'm hoping can be updated to the AEBG table so when we share with members they'll be looking at the right table in the PP.
Emily Tsai Brownfield:	If we are importing from a 3rd party system, do we need to type in each one manually after it has been imported?
Janice Fera:	Need better communication between CASAS and ASAP at a program management level.
Patty Long:	It will be, Amy.
Liz Leiserson CCSF:	Then, can you notify us if you are issuing new builds overnight (since I am trying to run uploads overnight, and new builds tend to crash the wizard).
Amy - SCAEC:	Thanks Patty.
Emily Tsai Brownfield:	For each of the outcomes.
Emily Tsai Brownfield:	Yes, there are not all the fields in the 3rd party
MaryAnn Pranke:	Thank you!
Veronica Parker:	This chat will be posted on the AEBG website along with the recording and PowerPoint.
Janice Fera:	Their CLS file is missing A22 suddenly.
Emily Tsai Brownfield:	For the student outcomes.
Penny Pearson:	Helen, see my note to you below (should be highlighted yellow).
Janice Fera:	Their CLS file just recently corrected the class schedule (M T W).
Janice Fera:	Yes.
Janice Fera:	Already done.
Cindy Manke, Tri-Community Adult Education:	Did Liz Leiserson CCSF's question get answered?
Diana B.:	We are taking notes for CASAS.
Diana B.:	This is one of 4 sessions and we can add in meetings.
Diana B.:	Please sign up for other CASAS webinars at register.aebg.org.
Suzanne Murphy:	Where will this webinar be posted?
Laura Manyweather:	Hi, is there one log in for AEBG and WIOA in TOPS Pro.
Melinda Holt:	Suzanne - usually within 24 hours if the Network Gods are kind.
Jay:	Login in TE is the same for AEBG as WIOA.
Janice Fera:	Mine is still running, lol.
Amy - SCAEC:	Why is there an ROCP button on the AEBG report?
Diana B.:	Register for Friday at register.aebg.org.
Darrell Parsons:	Suzanne, you can go to aebg.org and look at the Webinars and Events page. The archives are down at the bottom of that page.

Rebecca:	Can you post the link to the data dictionary?
Marilyn Sargent:	Send where?
Suzanne Murphy:	Darrell, thank you.
Francisca Bravo:	Is that the only report due?
Darrell Parsons:	Link for archived Webinars: http://aebg.cccco.edu/Events/AEBG-Webinars
Beth Cutter:	Who is the best person to contact with a question about one of the terms in the data dictionary?
Holly Clark:	Amy asked: Why is there an ROCP button on the AEBG report?
Veronica Parker:	Data Dictionary: http://aebg.cccco.edu/portals/1/docs/reporting/Data%20Dict.Adult%20Education%20Block%20Grant%20Programs%20-%20JW%209-14.pdf

catherine:	Where do we send the report?
Darrell Parsons:	That page also gives you the upcoming Webinars. Many more on TE coming up this week and next.
Melinda Holt:	FROM BETH: Who is the best person to contact with a question about one of the terms in the data dictionary?

Jay:	aebg@casas.org
Jay:	aebg@casas.org for questions aboout the data dictionary, that is.
Catherine:	Thank you.
Cristina Gheorghe:	It was my understading that only students 18 and older should be included in the AEBG tables, why do we have a "16-18" age group in AEBG Table 2? Our agency has about 400 students whose ages are outside the 16-110 range. Shouldn't the program (written to generate the AEBG DIR and Tables) filter out these students?
Troy Engel:	What information do you need in the email?
Diana B.:	AEBG funds 18 and older.
Diana B.:	Your school can fund under 18 with other funds.
Amy - SCAEC:	What about the ROCP program area for AEBG? What's that?
Diana B.:	The item identifies those students served.

Amy - SCAEC:	Yes.
Diana B.:	Some schools use LCFF funds for concurrent for High school credit recovery.
Amy - SCAEC:	Ok, thanks.
Cristina Gheorghe:	could you please repeat that, "delete the students under the age of 18 from the program?" you mean TOPSpro?
Diana B.:	No, we do not delete students, this item will help you identify which progra they are in.
Amy - SCAEC:	Can we see that new table please?
Patty Long:	I'll fix the PowerPoint.
Amy - SCAEC:	No I mean the one you just showed right now. :-)
Amy - SCAEC:	Oh!
Amy - SCAEC:	Ok, no problem, I was just going to screen shoot it.
Amy - SCAEC:	Thank you!
Amy - SCAEC:	This has CTE data.
Gary:	Is this webinar going ot be on the website?
Darrell Parsons:	Gary, yes archived at http://aebg.cccco.edu/Events/AEBG-Webinars.
Laura Manyweather:	The AEBG reports are not provided in my drop down options.
Liz Leiserson CCSF:	Any suggestion for upload speed issues? I have sooooo many records to import?
Laura Manyweather:	Ok.
Diana B.:	IMPORTANT Friday will be from 12- 1:30 PM for additional time for questions
Carrie:	Where do we register for Friday's webinar?
